

Borough of Carlstadt

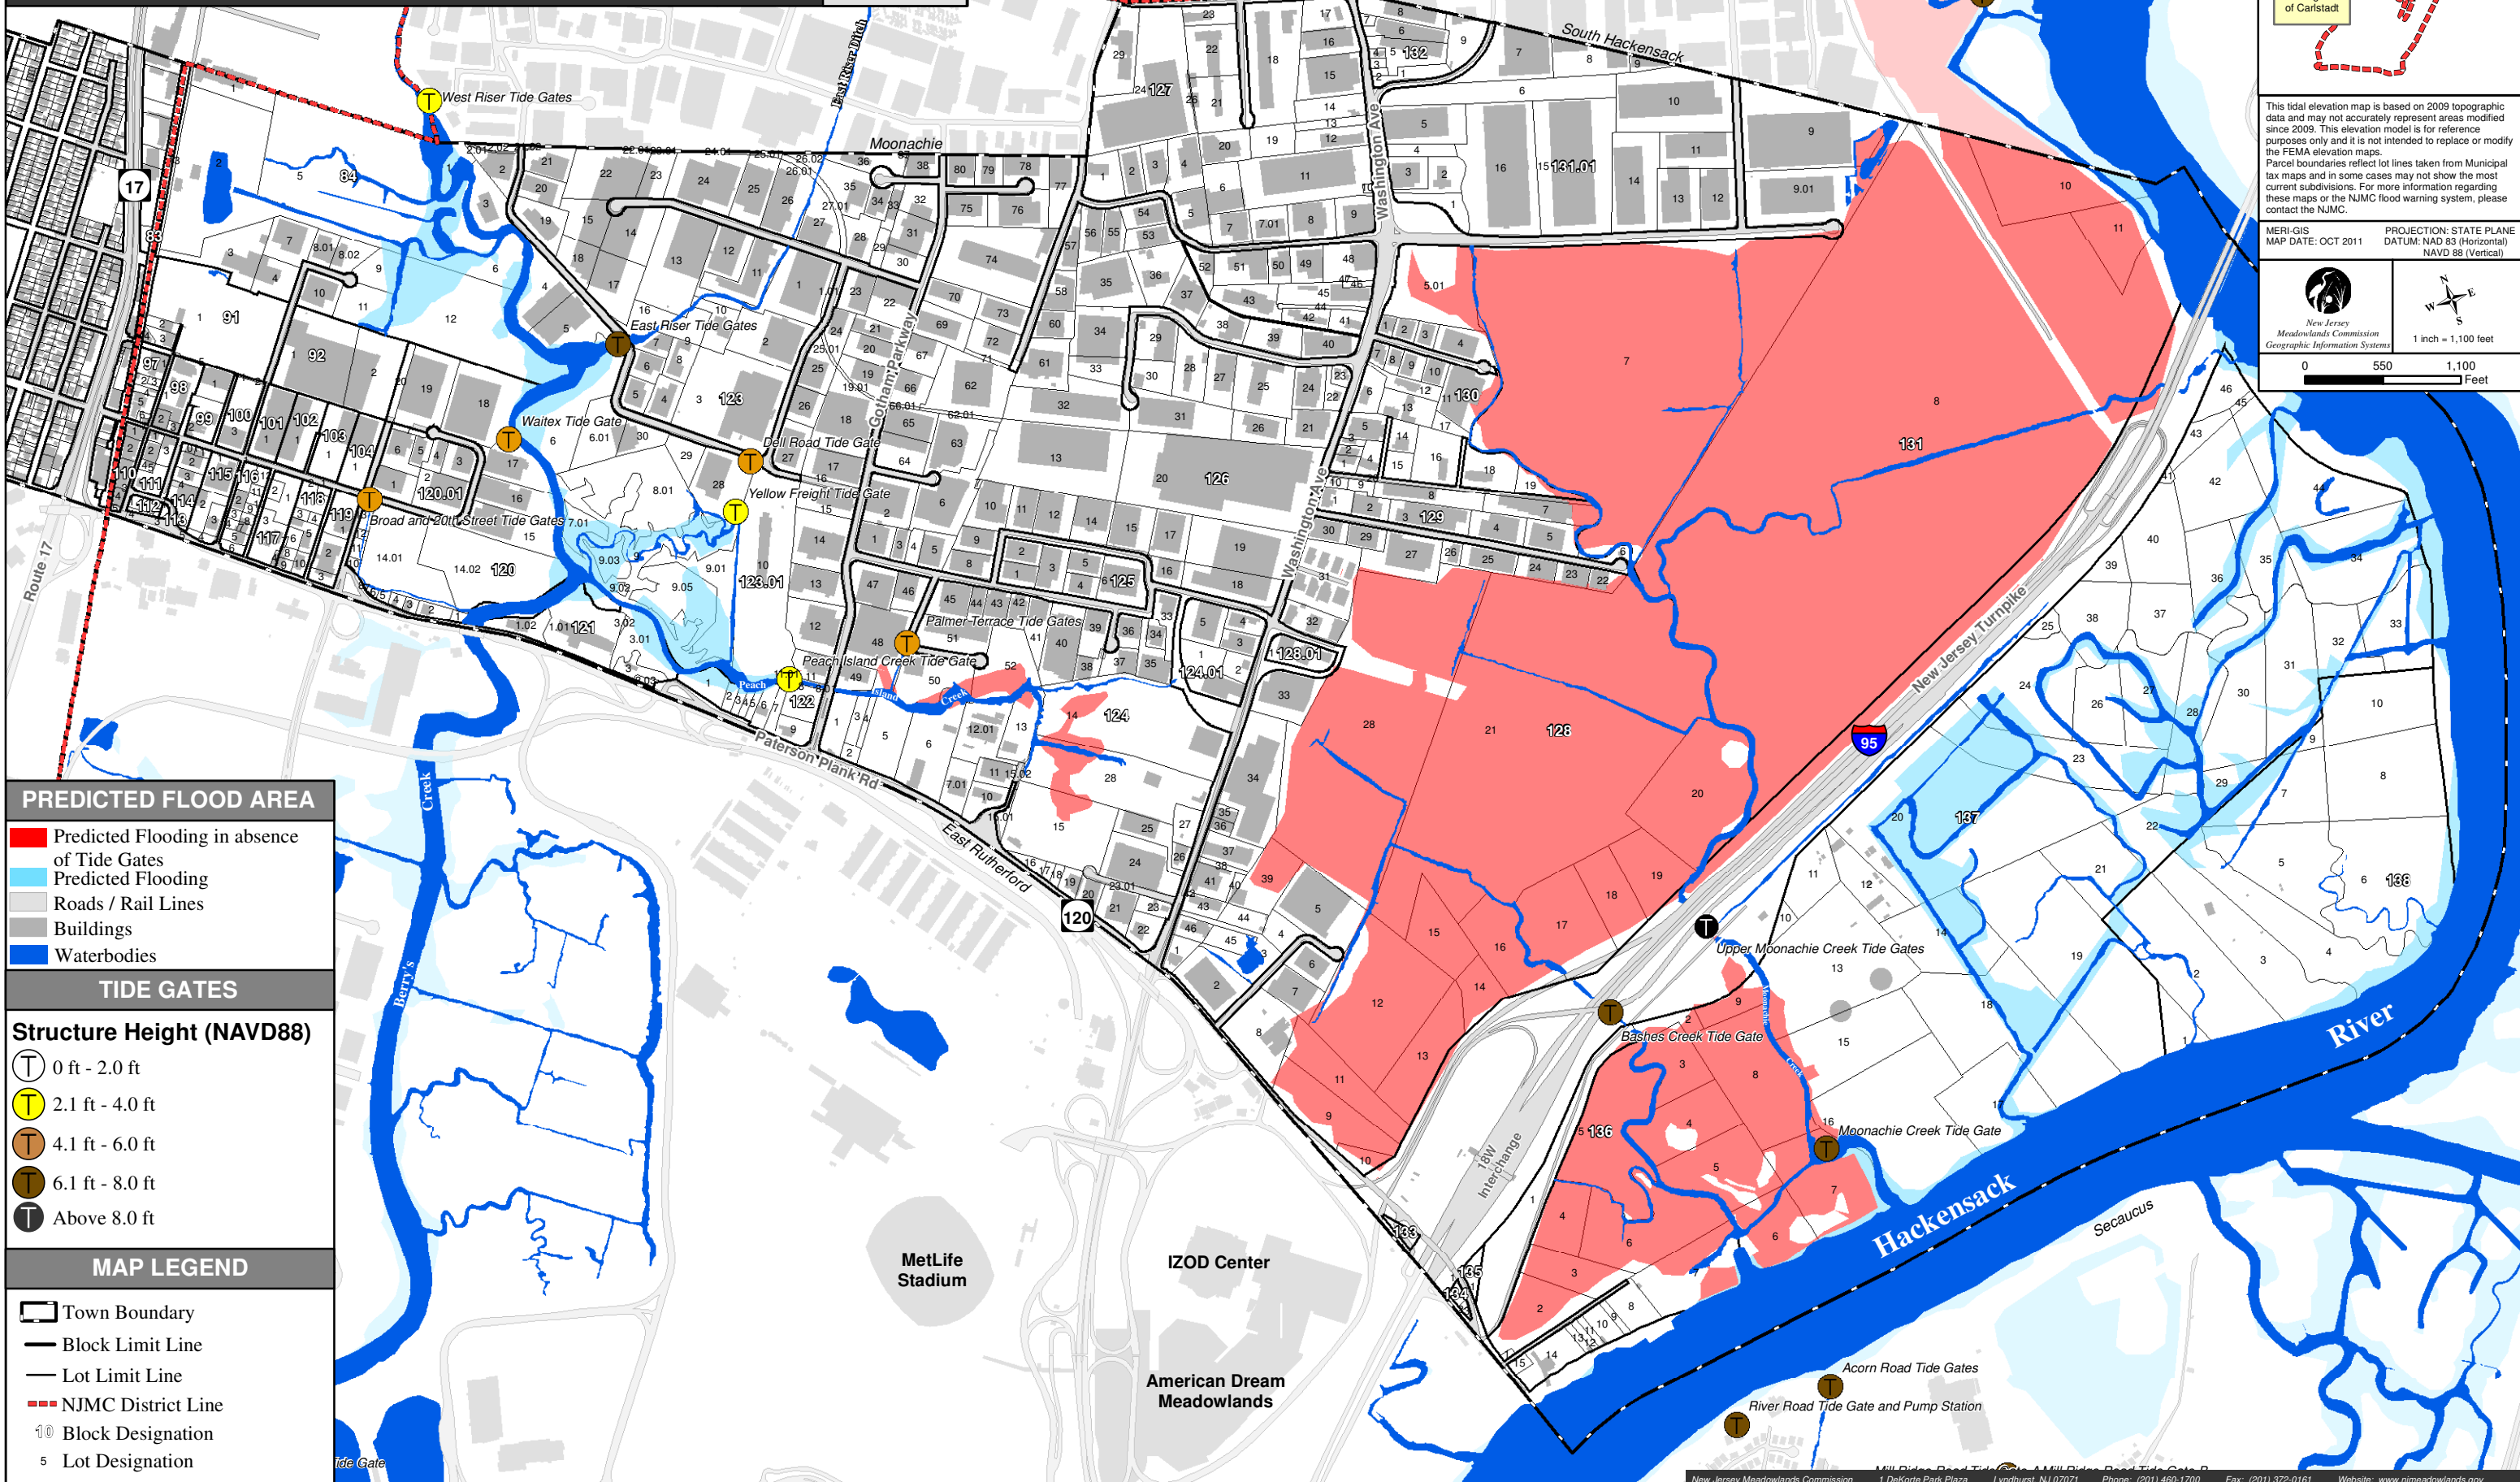

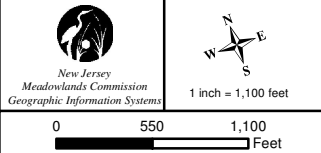

Water Elevation Map

2 Feet
(NAVD 88)

This tidal elevation map is based on 2009 topographic data and may not accurately represent areas modified since 2009. This elevation model is for reference purposes only and it is not intended to replace or modify the FEMA elevation maps. Parcel boundaries reflect lot lines taken from Municipal tax maps and in some cases may not show the most current subdivisions. For more information regarding these maps or the NJMC flood warning system, please contact the NJMC.
